(a) Opinion on Annual Financial Results

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Annual Financial Results for the year ended 31st March, 2020:

- a. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and

(b) Conclusion on Unaudited Standalone Financial Results for the quarter ended 31st March, 2020

With respect to the Standalone Financial Results for the quarter ended 31st March, 2020, based on our review conducted as stated in paragraph (b) of Auditor's Responsibilities section below, nothing has come to our attention that causes us to believe that the Standalone Financial Results for the quarter ended 31st March, 2020, prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Opinion on the Audited Standalone Annual Financial Results for the year ended 31st March, 2020

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in paragraph (a) of *Auditor's Responsibilities* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Results for the year ended 31st March, 2020 under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 2 of the Statement which describes the management's assessment of the impact of the outbreak of Covid-19 on revenue, trade receivables, investments and other assets. The management believes that no adjustments are required in the financial statements as there is no impact in the current financial year. However, in view of highly uncertain economic environment and its likely effect on future revenues due to Covid-19, a definitive assessment of the impact on the subsequent periods is dependent upon circumstances as they evolve.

Our report is not modified in respect of above matter.

Management's Responsibility for Statement

This Statement which includes the Standalone Annual Financial Results is the responsibility of the Company's Board of Directors and has been approved by them for the issuance. The Standalone Financial Results for the year ended 31st March, 2020 has been compiled from the related audited standalone financial statements. This responsibility includes the preparation and presentation of the Standalone Annual Financial Results for the quarter and year ended 31st March, 2020 that give a true and fair view of the net loss, other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India and compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and

presentation of the Standalone Annual Financial Results that give a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Results, the Board of Directors are responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities

(a) Audit of the Standalone Annual Financial Results for the year ended 31st March, 2020

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results for the year ended 31st March, 2020 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Annual Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists

related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Annual Financial Results, including the disclosures, and whether the Standalone Annual Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Standalone Annual Financial Results of the Company to express an opinion on the Standalone Annual Financial Results.

Materiality is the magnitude of misstatements in the standalone annual financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Annual Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Standalone Financial Results for the quarter ended 31st March, 2020

We conducted our review of the Standalone Financial Results for the quarter ended 31st March, 2020 in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Other Matters

1. Due to the COVID-19 related lockdown, we were unable to observe the Management's year-end physical verification of inventory at respective locations. We have therefore, relied on the related alternative audit procedures to obtain comfort over the existence and condition of inventory at year end.
2. Figures for the corresponding quarter ended 31st March, 2019 are the balancing figures between the annual audited figures for the year then ended and the published year to date figures for the 9 months period ended December 31, 2018. We have not issued a separate limited review report on the results and figures for the quarter ended 31st March, 2019.
3. The Statement includes the results for the Quarter ended 31st March, 2020 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

Our report is not modified in respect of above matters.

Notes:

1. The Unaudited Standalone Financial Results for the quarter and audited year ended March 31, 2020 have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on June 27, 2020. The Standalone Financial Results are prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013.
2. Due to outbreak of COVID-19 globally and in India, the Company's management has made initial assessment of impact on business and financial risks on account of COVID-19. Considering that the company is in the business of Manufacturing of Wind Turbine Generator which fall under the Renewable Energy sector being the priority sector, the management believes that the impact of this outbreak on the business and financial position of the company will not be significant. The management does not see any risks in the company's ability to continue as a going concern and meeting its liabilities as and when they fall due. The company has used the principles of prudence in applying judgements, estimates and assumptions and based on the current estimates, the company expects to recover the carrying amount of trade receivables including unbilled receivables, investments, inventories and other assets. The eventual outcome of impact of the global health pandemic may be different from those estimated as on the date of approval of these financial statements.
3. The Ministry of Corporate Affairs (MCA) has notified Ind AS 116 "Leases", which is effective for accounting period beginning on or after 1 April, 2019. The Company has transitioned to Ind AS 116 with effect from 1 April, 2019 using 'modified retrospective approach'. Under this approach, the Company has recognized the right of use assets at its carrying amount as if the standard had been applied since the lease commencement date, but discounted at its incremental borrowing rate at the date of initial application and lease liability measured at the present value of the remaining lease payments. Accordingly Right of Use Assets (ROU) of Rs. 4,717.81 Lakhs (includes transfer from prepayments of lease amounting Rs.4,480.10 lakhs) and lease liabilities of Rs.246.20 Lakhs has been recognized as at 1 April 2019 and the cumulative effect of Rs.5.52 Lakhs (net of deferred taxes Rs.2.97 Lakhs) is debited to retained earnings. Further, the comparatives for the previous period are not required to be restated. In the statement of financial results for the year ended March 31, 2020, opening leases expenses which were recognized as other expenses in periods are now recognized as depreciation expense for the right of use asset and finance cost for interest on lease liability. The adoption of this standard does not have any significant impact on profit/ (loss) after tax for period ended March 31, 2020.
